

WOW COMMODITY PURCHASE PROGRAM®

Turning Your Inventory Into Cash

The Problem:

Before being sold, some products are stored for extended periods of time, tying up valuable capital that could otherwise be allocated toward strategic initiatives.

Our Proven Solution:

The value of the **WOW COMMODITY PURCHASE PROGRAM®** positions WOW Logistics as one of the largest private inventory purchasers in the U.S. We are **experts in storing and handling food-grade products** and have access to an extensive network of over 100 warehouses across the country.

The program provides the following benefits:

- Faster, easier approval process with 100% advance rate and NO upfront equity required

- Ability to adjust inventory volumes with NO additional fees

- Deferred interest, inbound transportation, and storage/handling fees until product sells and ships
